

Competitions 2022

The committee has been considering competitions and charging for 2022. It feels in general the bundling of competitions into packages worked well. It generally made entry to competitions easier and reduced the administration. The payment of entry fees online has reduced and nearly eliminated the need to handle cash.

As a consequence, the committee is proposing similar arrangements for 2022 with some minor changes.

Golf England have refused to allow even small payments as prizes to be made without removing the amateur status of players. The committee has therefore decided winners will be paid by e-vouchers which will be sent to your email address for you to use. These vouchers will be usable in the clubhouse for any purchase across the bar including club annual membership. If you do not want to receive a voucher to be used in the club you can opt to receive an amazon E-voucher. A voucher will be issued to the value of the prize money below.

The competition charging is based on the competitions calendar. The Competitions calendar can be seen at the end of this document or on the club website at:

<https://members.colmworthgolfclub.co.uk/colmwoth-golf-club-events-diary/>

The competitions will be once again split into midweek and weekend packages. There will also be hybrid package which allows weekend players to buy a reduced cost entry package to the weekday competitions. There will be 2 possible time periods for each package, a single annual payment or a 6 month payment. Other competitions are shown with specific amounts as an entry fee.

All entry fees must be paid before any competitions in the package start :-

Payment online will be accepted up to midnight on the day before the start day of the competition. It is requested payments are made in this way and the reference contains the details of the competition you are entering if possible. If it is not possible to enter a competition reference please ensure an email is sent with details of the competition you are entering.

If payment has to be made by cash or cheque it must have been posted in the competition not less than 7 days before the competition commences.

Payments for packages or individual competitions should be made to the following bank account:

Account name: Colmworth and North Bedfordshire Golf Club

Sort code: 20-74-81

Account number: 50285013

Payment Reference: Package (e.g. WE3) or Competition name (e.g. Buffy), if possible. If not possible please ensure an email is sent with details of competition being paid.

Email details to: bjewell12@hotmail.com
